

SITE SAFETY

MCG Airsoft Ltd

- All must wear suitable eye protection (resist 500fps point blank) at all times when games are on. All must wear long sleeves/trousers.
It is at players own risk if they choose not to wear full face protection. Eye protection can only be removed in the safe zone. Under 18s must wear full face protection.
- No players can play under the influence of drugs / alcohol.
- Minimum age to play is 12 years. Players under 17 must be accompanied by a parent/guardian who must sign the insurance waiver. Parents/guardians must accept that there may be occasions during play when a player is not supervised or in sight of a marshal.
- First aid kit available. Keep own medication in top left pocket_/ pouch
- Site contains uneven ground, slippery rocks/logs and other potential hazards. Therefore players must wear suitable footwear and be aware that they play at their own risk.
- Players must follow any directions given by marshal.
- Players are warned that airsoft games can be strenuous, subject to occasional loud noise and smoke.
- Players must not climb trees or structures.
- Maximum muzzle velocity allowed is 350 fps for aegs. 500 fps for single shot weapons with minimum engagement range of 20M.
- Players should be aware that they may be hit at close range, especially inside bunkers or structures and that this may cause injury.
- Only pyros made by TLSFX may be used on site. Maximum sound level is represented by Mark 5 grenades.
- Pyros must not be thrown at players.
- Games areas are checked regularly for potential hazards but players should be aware that during play, structures can be damaged producing hazards such as exposed sharp points or edges etc. If seen, players should report any such hazards to a marshal.
- No fixed bladed knives may be taken into the combat zone.
- MCG Airsoft Ltd will not tolerate abusive behaviour. MCG Airsoft Ltd will not hesitate to remove players from the game or ban them from the site if they are involved in verbal or physical abuse to other players or marshals.
